Dear Sirs

Ref: Ilkley Neighbourhood Development Plan Consultation

Thank you for notifying us of the above Consultation.

We would like to comment on this proposal as follows.

The Parish Council is concerned about the absence of any long-stay car-parking provision within the objectives of the plan. Ilkley is a principal town with a bus and train station which services the residents of Addingham who commute to Leeds or Bradford for work and travel for leisure. The plan has no provision for those individuals or families who need to travel by car to Ilkley and then use bus or train transport for their onward journey.

The Parish Council would recommend a full reassessment of the car parking provision to meet the long stay requirements identified above. Ensuring adequate provision for those living in communities nearby to park their car in Ilkley and use public transport.

Yours faithfully
[Sgd]
Sallie Lloyd
Clerk to the Council
