

Addingham Parish Council – Meeting 15/12/2021

Matters Arising – report for information

- Rospa inspection completed on MUGA 12/11/21
- Letter box fitted at Pavillion, addressing now instructed
- Acknowledgement rec'd from Planning department to comments made re: long stay carparking adequacy within the Ilkley Neighbourhood Development Plan Consultation
- Work completed to update website and install new calendar plug in. Training completed.
- Ward Cllr has requested traffic monitoring along Main Street in the areas identified by Council during November 2021 meeting.
- Response received from enforcement officer regarding the tipping of building waste (historical) at High Mill (Dawson Crossley Field). Letter sent to owners of the field.
- Traffic update received from Bradford Officers
- Letters sent to Hub neighbours requesting considerate parking in the occasional space next to the Library.
- Volunteers from AEG have planted hedging at the Bowling club to fill the gaps
- Bradford have responded to PC request for new dog poo signage around the village. This has been completed by officers.
- A response has been received from Robbie Moore regarding the comments made by the Parish Council concerning the age and size of Airedale Hospital. Any further information that he receives from the Department of Health, will be share with Council.
- Final Costs have been received from the Civic Society in relation to the Best Kept Village Sign. The balance required from the Parish council is £1050 (approved during June 2021 meeting, minute 49/21 refers). The project received financial support from generous members of the community and the grand unveiling was well attended in early December. A joint press release was published by the Ilkley Gazette
- The defibrillator installation is complete at Olicana. Clerk has now sent a letter to Clarke Foley Addingham trustees regarding the pledged donation.
