

The Addingham Parish Council meeting held on Monday the 12th November 1951

Present Cr Hadley (Chair) Cr Wall Cr Smith Cr Cockshott Cr Lumley Cr Walker Cr Mrs Lumley

Apologies received from Cr Walker Cr Ives & Cr Mrs Ives

Trunk road Authorised Crossings. The Chairman reported that he had an interview with the County Engineers representative last week who explained the present policy regarding the policy in connection with provision or retention of pedestrian crossings and that the Ministry of Transport advertised in the Yorkshire Post their proposals and time allowed for objections had expired. It was resolved that the Ministry of Transport be written with a view to their reviewing this matter

Town Head Well. Arising out of a letter received from the Engineer of the Skipton Rural District Council it was resolved that the Town Head Well was necessary and must not be abandoned

Lamp at Southfield Slope. Arising out of a letter received from the Engineer of the Ilkley Urban District Council it was resolved the Lamp at the top of Southfield Slope must be resited nearer the steps

Wayside Seats. It was resolved that the cost of providing seats in the village be ascertained from the Skipton Urban District Council and the type which they were using

Scavenging Addingham Roads. Arising out of a letter from the Engineer of the Skipton Rural District Council in reply to the Chairman's complaint of the Street scavenging having been neglected it was resolved that the Engineer be informed that all the Streets had been in a disgraceful condition for a few weeks

Minutes. It was resolved that the minutes of the previous meeting be signed

Repair of Kerb Corner Stone to Sandbeds. It was resolved that a reminder be forwarded to the West Riding County Council with a view to ascertaining when the kerb is to be reinstated between the Corner Stone and Sandbeds

Dangerous fence near Suspension Bridge. It was resolved that the West Riding County Council be asked to repair and replace the fencing on the side of the footpath near the Swing Bridge on the West side

Memorial Hall repairs. It was resolved to carry out the repair of the Memorial Hall Drains forthwith

Street Lighting. It was resolved that the question of asking the Skipton Rural District Council to take over the control of Street Lighting be left over until the next meeting of this Council but in meantime mention the cost of improved trunk road lighting be got

Caravan site footpath. It was agreed that a public footpath ran through the

Caravan site at High Mill Addingham

Telephone Deposit £60. It was resolved that the list of subscribers to the Deposit for the Telephone Kiosk at Smallbanks which had been handed to the Memorial Hall Committee be handed to this Council in order to give effect to the Depositors recommendations

Moorside Postal service. It was resolved that the Postal complaints from Moorside be reported
