

The Addingham Parish Council meeting held on Monday the 10th December 1951

Present. Cr Hadley (Chair) Cr Cockshott Cr Smith Cr Ives Cr Wall Cr Walker and Cr Mrs Ives

Town Head Well. Arising out of a letter received from the Surveyor to the Skipton Rural District Council regarding Town Head Well it was resolved that he be informed that the 2 Tanks referred to are under the flags on the pavement at the opposite side of the road to the wall

Street lighting. It was resolved that the Bracket Lamp be reinstated which previously functioned in Bolton Road opposite the Cooperative Society's Stores

It was further resolved that consideration of Lighting the Streets on the Burns Hill Housing Estate and the transference of the whole of the Addingham Street Lighting administration to the Skipton Rural District Council be left over until the next meeting of the Council

Repair of Kerb Corner Stone to Sandbeds. Arising out of a letter received from the Divisional Surveyor of the West Riding County Council regarding the repair of the kerb from the Corner Stone to Sandbeds stating that their work could not be carried out at present it was resolved that as the kerb was practically hidden and the footpath was not distinguishable from the road particularly so opposite Holme Farm and Lumb Ghyll Lane the West Riding County Council be pressed to repair the kerb on these two dangerous points

Minutes. It was resolved that the minutes of the previous meeting be signed

Scavenging Addingham Roads. Arising out of a letter received from the Engineer to the Skipton Rural District Council regarding the Scavenging of Addingham

Scavenging Addingham Roads. Roads in which he gave a resumé of the work carried out and the hours his department had devoted to the scavenging of Addingham Roads It was resolved that this Council were satisfied with Engineer's explanations and were of the unanimous opinion that the state of the Roads which had been the subject of complaints were greatly improved and if maintained as at present the roads would be satisfactorily scavenged

Motor Mower to be overhauled. It was resolved that the Atlas Motor Mower at the Memorial Close be overhauled
